## COLLEGE STUDENTS / UBER OR LYFT DRIVERS / FULL TIMERS LOOKING FOR PART-TIME WORK / LIFE COACHES / CHESS ENTHUSIASTS / INSPIRING POSITIVE INDIVIDUALS WANTED!

We are a company founded on the principles of promoting education, heightening cognition and igniting the fun in learning. We bring together like minded individuals to add value to the lives of young people.

In effect, *we are the ones who ensure that chess makes a good "first impression."* While the overwhelming majority of chess programs may—to varying degrees—do a fine job of teaching the mechanics of the game, strategy and overall board consciousness, we on the other hand are far more concerned with encouraging life masters than chess masters. We do this by teaching children how to apply the strategies they learned on the board to their every day critical decision making.

Chess Tutors is a dynamic organization with noble ambitions to see our mission fulfilled. Founded as a subsidiary under the umbrella of a not-for-profit program in 2002, today our program is established as a fiscal sponsor and fiduciary of the Positive Results Corporation founded by an LAPD Police Officer in 1992 as a 501 c 3 tax exempt non-profit organization.

**We serve school districts throughout the greater Los Angeles community!** From Palos Verdes to Beverly Hills, Compton to Long Beach and from Redondo Beach to Lakewood, our program demonstrates our motto of making "serious learning fun" while appealing to a widely varying demographic of children and—by extension—their parents.

### NOTE: WHEN WORKING WITH THE CHILDREN AND SCHOOLS WE SERVE YOU MUST:

- \* Be Live scan fingerprinted by our private Live scan operator. No Exceptions.
- \* Provide proof of a negative TB test result taken within the last 2 years.

- \* Maintain a professional, clean appearance!

We are looking for devoted, friendly and outgoing individuals to teach grades K - 8 the game of life using our award winning approach. If you aspire to be part of a team that truly makes a positive impact within the communities we serve, contact us! **We are offering PART TIME opportunities that start at or up to \$750 - \$2200 per month depending on skills, experience, availability and commitment for up to 3 hours a day Monday - Friday.**

If you are an outgoing, dynamic, positive individual with an insured automobile who is looking for a part time job which has the potential to lead to a full time career **or** you already have a full time job and would like to make some extra money on your day off **or** you simply would like to add value to the lives of young people,
